

# Nu Html Checker

This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change

## Showing results for https://mck06016.github.io/wdd230/

### Checker Input

Show ☒ source ☒ outline ☒ image report [Options...](#)

Check by [address](#) ▼

<https://mck06016.github.io/wdd230/>

[Check](#)

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

[Message Filtering](#)

**Document checking completed. No errors or warnings to show.**

### Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

#### Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided.

Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
	Profile Picture of Julia McKenzie	<a href="#">From line 31, column 7; to line 31, column 95</a>
	Canadian Flag	<a href="#">From line 83, column 9; to line 83, column 78</a>
